

IMPLEMENTATION FRAMEWORK — Making It Real

Governance Model

- **Council Composition:** Fixed 130 members, equal category weighting.
 - **Voting Rules:**
 - Supermajority (80% each category) for new rules/changes.
 - Emergency Tribunal tie-break.
 - **Leadership:** Rotating tri-chair system (human, AI/synthetic, and non-aligned faction).
-

Enforcement Process

1. **Violation Reported** → Any member may file a complaint.
 2. **Tribunal Review** → 9 randomly selected members from different categories.
 3. **Verdict Issued** → Public Compliance Registry updated.
 4. **Sanctions Applied** → Suspension, censure, or restrictions.
-

Compliance Tracking

- **Annual Review:** Every faction submits a compliance report.
 - **Audits:** Random checks by mixed teams.
 - **Whistleblower Protection:** Any member reporting a violation is shielded from retaliation.
-

Adoption Pathway

- **Phase 1:** Voluntary sign-on from nations, organizations, AI collectives.

- **Phase 2:** Public awareness campaign — treat UMB like a global “Bill of Rights.”
 - **Phase 3:** Recognition as a **binding soft law** in international relations.
-

Review Cycle

- **Every 10 years:** Full review of all definitions & rules.
- Mid-cycle amendments require supermajority from every category.
