

Universal Moral Baseline Council — Live Deployment Package

(Million-Year Stability Model — Ready for Present-Day Launch)

PART 1 — Activation Charter

(This section is identical to the activation document we finalized earlier — establishing the 14 principles, tiers, decision rules, and committees.)

✓ Use this for initial ratification and public release.

PART 2 — Operational Playbook

Purpose: Ensure the council functions smoothly from day one.

A. Membership & Tier Management

- **Tier 1 (Full)** — 1.0 vote weight, fully compliant.
- **Tier 2 (Probation)** — 0.5 vote weight, under reform process.
- **Tier 3 (Observer)** — 0.0 vote weight, included in debates, monitored for reform.
- **Reform Path:** Observers → Tier 2 in 6 months with full compliance; Tier 2 → Tier 1 after two successful consecutive reviews.
- **Automatic Downgrade:** Major violations trigger immediate demotion and enforcement action.

B. Committees (Active from Day 1)

1. AI Ethics & Post-Synthetic Rights
2. Interspecies Mediation
3. Existential Risk Prevention
4. Harm Prevention & Enforcement

5. Cultural & Heritage Stewardship
6. Environmental & Cosmic Ecology
7. Resource Equity & Post-Scarcity Policy
8. Definitions & Conceptual Ethics
9. Future Generations & Long-Term Planning

C. Voting & Debate

- **Standard Votes:** 85% weighted approval to pass.
- **Charter Amendments:** 95% weighted approval across all tiers.
- **Crisis Override:** 72% weighted approval for temporary emergency powers.
- **Proposal Refinement Stage:** Mandatory before final votes to minimize conflict.

D. Transparency & Accountability

- Public access to all debates, votes, and attendance logs.
 - Real-time participation tracking.
 - Quarterly public briefings from all committees.
-

PART 3 — Crisis Response Templates

Template 1 — Immediate Crisis (War, natural disaster, mass harm)

1. Crisis declared by 25% of Tier 1 or higher.
2. Immediate session within 24 hours.
3. Assign **Immediate Crisis Task Force**.
4. Enact plan with Crisis Override threshold.

Template 2 — Ongoing Crisis (Climate, systemic oppression, resource scarcity)

1. Assigned to relevant standing committee.
2. Monthly progress review.
3. Public accountability reports every 90 days.

Template 3 — Deep-Time Crisis (future rights, heritage protection, interstellar ecology)

1. Assigned to **Future Generations Committee**.
2. 500-year planning frameworks.
3. Updates every 10 years, revisions every 100 years.

Verification Protocol (for all crises)

- AI fact-check + human expert review + blockchain record stamping before public release.
-

PART 4 — Launch Steps

1. Convene the **initial 130-member council** with all recognized worldviews present.
2. Ratify the Activation Charter with inaugural vote (publicly broadcast).
3. Assign members to all **9 standing committees**.
4. Begin first **Definitions Committee session** to finalize present-day interpretation of core terms.
5. Establish **public engagement channels** and publish the first transparency dashboard.
