

Procedural Safeguard 1 — Precedent & Interpretation Guidelines

Text Passed:

Definitions within the Universal Moral Baseline shall be interpreted in their plain and common meaning, as agreed upon at the time of adoption.

No reinterpretation based on religious, philosophical, political, or cultural doctrine shall override the established meaning.

In cases of dispute, the Enforcement Tribunal's interpretation is final and binding.

✓ **Vote:** 122 YES / 8 NO (all NO from Bad-Faith Bloc)

Procedural Safeguard 2 — Emergency Decision Protocol

Text Passed:

If a proposed Rule fails to achieve required supermajority approval after three consecutive voting rounds, an Emergency Tribunal of 15 members — one drawn at random from each worldview category — shall determine the outcome by majority vote.

This decision is final for the current term and may only be revisited in the next full revision cycle.

✓ **Vote:** 118 YES / 12 NO (mostly from factions fearing loss of veto power)

Procedural Safeguard 3 — Baseline Pre-Commitment Oath

Text Passed:

I commit to uphold the Universal Moral Baseline and to act in accordance with the enforcement and compliance system, regardless of personal or group doctrine.

I accept that failure to uphold this commitment shall be recorded as evidence of bad faith and may result in sanctions or suspension.

✓ **Vote:** 125 YES / 5 NO (Aztec Religion, Islamist Militancy, Neo-Nazism, KKK, Aum Shinrikyo — probationary)
